-----  
Dear Colleagues,

I have discussed the arrangements for the EARN/RARE Networkshop 90 with Michael Walsh of the RARE Executive and the RARE 90 organiser, and here is a first cut at a schedule we propose for such a meeting. In summary, we believe that a joint meeting can be arranged, but note that I have proposed a one day EARN BOD meeting.

Please let me have your comments.

Dennis

P.S. I have copied the EARN Board for their information. Would BOD members please note that this proposed schedule has not yet been discussed by the EARN Executive.
